DESCRIPTION:

In an exclusive location in the municipality of Desenzano d/G, just a few metres from the lake and convenient to the centre and all services, we are offering prestigious homes in an elegant and modern residence under construction consisting of 20 residential units of various sizes, built to the highest standards and in energy class A. The complex will be built on three above-ground floors plus a basement area used as a garage, all connected by a lift. The complex will be built on three floors above ground plus the basement area used as a garage, all connected by a lift. The flats on the penthouse floor will have exclusive solariums. The context will be served by a large swimming pool and communal sunbathing area. Comfort, design, high-level finishes and centrality are just some of the characteristics of this new real estate initiative that we are proposing. Within this complex we are proposing a penthouse on the second floor consisting of an entrance hall with service bathroom and access to the large and bright living area with open kitchen and overlooking the two large terraces, one of which is ideal for the creation of outdoor living area and relaxation area with Jacuzzi. From the entrance, through a livable hallway, you access the sleeping area consisting of two large double bedrooms, one of which has a private bathroom with shower inside, a single bedroom and a second bathroom with shower. The property includes a large double garage in the basement. We remain available for more information, details, plans and meetings without obligation.
