DESCRIPTION:

A short distance from the beaches of Rivoltella, in a position convenient to services and the main roads, in a residential area of recent development, we propose an elegant and modern context of forthcoming construction, consisting of two buildings, each of six units, developed on three above-ground floors in addition to sun terraces and a basement for garages and cellars. The project is completed by a beautiful shared swimming pool with sunbathing area. The building will be constructed in energy class A3 with excellent construction, plant and material finishes. Within the project, we present a four-room apartment, located on the first floor, complete with a livable covered terrace. The flat consists of a bright living area with open kitchen and direct access to the large terrace. Continuing through a comfortable and spacious hallway, we find the sleeping area consisting of a bathroom with shower, a double bedroom, a single bedroom and a master bedroom complete with bathroom inside. Possibility of purchasing a large garage in the basement. Excellent level solution characterised by ample space and possibility of choice of finishes. We remain at your disposal for further information.
