Beds 1 Bathrooms 1 Commercial 59,7 mq

DESCRIPTION:

A short distance from the beaches of Rivoltella, in a convenient position for services and the main road networks, located in a recently developed residential area, we propose an elegant and modern context of upcoming construction, consisting of 12 units and developed on three above-ground floors in addition to sun terraces and a basement for garages. The project is completed by a large pool area with a large sunbathing area. The building will be constructed in energy class A3 with excellent construction, systems and finishing materials. The project includes the construction of two-room and three-room flats. In this card we present one of the penthouses, consisting of a bright living area with open kitchen and direct access to the livable covered terrace, a convenient hallway, a bathroom with shower and a double bedroom. Completing and characterising the flat is the splendid sun terrace, directly connected by a staircase located on the first terrace, equipped with predispositions for a Jacuzzi and a gazebo structure with predispositions for an outdoor kitchen. Possibility of purchasing a convenient garage in the basement. Excellent solution as a first or second home and also as an investment. Extensive possibilities for customisation and choice of finishes. We remain at your disposal for further information.
