### DESCRIPTION:

In a convenient location, close to the historic centre of Desenzano del Garda, to the services and to the lake, in a quiet residential context consisting of a few units and surrounded by a pleasant shared green area, we offer for sale a large four-roomed apartment to be renovated, located on the first floor and characterised by large interior spaces. The flat opens onto a comfortable entrance hall leading to a large hallway. The spacious and bright living area is equipped with a fireplace and offers access to a livable terrace with a view of the greenery, which is also connected to the separate and spacious kitchen. The sleeping area is divided into two independent areas: the first includes a hallway, a bathroom with shower and a single bedroom with a balcony; the second includes two double bedrooms, both with balconies, and a large bathroom with tub. In the entrance hall there is also a room currently used as a laundry room, which is also ideal to create a service toilet. This unique solution, situated in an excellent location and characterised by large, well-distributed living spaces, is perfect for a renovation project with great attention to detail, with the possibility of creating a single prestigious residential unit or two smaller units. In the basement there is a convenient cellar, and there is the possibility of purchasing one or more garages at an additional cost. We are available for further information and site visits.
