DESCRIPTION:

In Polpenazze del Garda, in an excellent location bordering the Gardagolf Country Club and with a partial view of the golf course, a building plot of approximately 1.400 square meters is available. Of these, about 1.100 square meters are buildable, with the possibility to construct approximately 1.300 cubic meters (440 square meters) over two above-ground floors, in addition to a basement, porches and terraces, designated for residential use. This area is ideal for the development of a new residential complex with a swimming pool or for subdivision into two plots for single or semi-detached villas. We remain available for further details or to arrange a site visit upon request.
